THINGS TO WORRY ABOUT
It is estimated that close to \$2,000,000,000 has been spent in building and equipping hydro-electric plants in the United States, which amount may be doubled by 1917.
A California scientist claims to have greatly increased the breeding capacity of sheep as well as their yield of wool by pasturing them under high voltage electric wires.
Collapsible towers, adopted by the German army for searchlights and wireless telegraphy, are so light and compact that two men can carry a tower that extends to 150 feet.

FORMAL STATEMENT BY REPUBLICAN CHAIRMEN

Sheriff Romero and Attorney Elfege Baca Unite in Signed Denial of Rumored Friction in Committee.

DETERMINED EFFORT TO BLOCK THE SPLIT

In a determined effort to stop the persistent rumors of an impending separation of the "Peace of Old Albuquerque" taking the form of a conflict of authority between Sheriff Jesus Romero, chairman of the Bernalillo county Republican committee, and Elfege Baca, candidate for the Republican nomination for congress, and chairman of the executive committee of the county organization, Sheriff Romero and Mr. Baca in a signed statement, appearing in the advertising columns of "The Herald" today, make a flat and categorical denial of any such pending explosion or conflict of authority. The chairman of the general committee and the chairman of executive committee, it is stated over the signatures of Mr. Baca and Mr. Romero, are working in perfect harmony. The rumors, the statement declares, have been circulated by enemies of the party and inspired by a desire to create a friction which does not exist. The two leaders, the candidate for the congressional nomination and the county chairman, the statement says, are working in perfect accord for no other purpose than the welfare and success of the Republican party.

There have been persistent rumors that Mr. Baca in issuing a call for the executive committee to meet next Monday, had in mind a plan to issue a call for the county primaries which would enable him to control those primaries and name delegates to the county convention favorable to his nomination; and that the call for a meeting of the general committee, for July 27, a week from Monday, and published in "The Herald" yesterday, was hurried by Sheriff Romero's having acquired knowledge of the Baca plan.

This is met with a general denial in the joint signed statement issued today.

FRIEND SEEKING FRANK KONKOSKIE IN THIS CITY

Ready to Send Him Money, but Don't Know His Address. Police Get no Trace of Him.

Friends in California of Frank Konkoskie, who is supposed to be a patient in a hospital here, are anxious to learn his whereabouts, in order to send him money. A telegram, reading as follows, was received by Chief of Police Thomas McMillin from C. M. Booth of Seattle, Cal.: "Wanted, address of Frank Konkoskie, now a patient of some hospital of Albuquerque. Mail forwarded from here has been returned. He has consumption and assistance will be forwarded at once upon receipt of his address. A return answer can be forwarded at my expense. Thanking you in advance."
"C. M. BOOTH"
Chief McMillin called up all the hospitals in the city but was unable to locate Konkoskie or any trace of him.

COMMERCIAL CLUB WILL BE ON JOB AS HOST

Organization to Represent Spirit of Hospitality in Albuquerque Whenever a Convention Comes to Town.

President Cushman of the Commercial club has called a meeting of the club directors for this evening, at which time a committee will be appointed to see that the delegates to the Democratic state convention are properly cared for during their stay here. The committee will see to it that the Democrats have no time hanging heavily on their hands.

President Cushman announces that it is to be the policy of the club to see to it that all conventions are properly entertained in Albuquerque. It will be the club's concern to see that the conventions are adequately housed without expense, and that the delegates are given a good time when not engaged in the business that brings them here. The club will represent the spirit of hospitality in Albuquerque.
